

Consulting

Jim is Available to Assist your School or Business in the initial stages of Partnership.

This includes any, or all, of the following services:

1. Meet with school and/or business personnel
2. Help to identify potential partners (school or business) in your community
3. Advise on the selection of Designated Contact Persons (DCP)
4. Assist with the development of a Partnership Proposal
5. Help to structure a Partnership Steering Committee

For more information on the many ways Jim can help you, contact him at:
